PROFESSIONAL SUMMARY

Final-year Information Science Engineering student (CGPA 8.64) at NMAM Institute of Technology and Software Engineer at Zupaloop with hands-on experience building production-grade web applications. Experienced in React, TypeScript, JavaScript, Node.js, Express, MongoDB, and MySQL. Founder of TTH E-CART and creator of TalknShop, a multi-vendor SaaS commerce platform.

PROFESSIONAL EXPERIENCE

Software Engineer | Zupaloop Apr 2026 – Present

- Develop production-grade React and TypeScript applications used in real-world workflows.
- Build scalable UI components, integrate REST APIs, debug production issues, and optimize performance.
- Collaborate with designers and backend engineers using Agile and Git-based development.

Full Stack Developer Intern | Codezyng Private Limited Feb 2026 – Mar 2026

- Built responsive interfaces using React and integrated backend APIs.
- Worked with Node.js, Express, MongoDB and MySQL while contributing to production features.
- Participated in debugging, testing, code reviews and feature delivery.

Founder & Operations Lead | TTH E-CART Jun 2021 – Present

- Founded and operated a local e-commerce platform serving Thirthahalli.
- Processed 7,000+ customer orders and generated ₹3L+ revenue.
- Managed logistics, customer support, operations and platform improvements.

FEATURED PROJECTS

TalknShop (Featured): Designed and developed a scalable multi-vendor SaaS commerce platform enabling businesses to launch and manage online stores. Implemented seller onboarding, authentication, product management, dashboards and order workflows using React, JavaScript, Node.js, Express, MongoDB and JWT.

Nitte Foodz: Built a MERN-based food ordering platform featuring authentication, product catalog, order management.

TECHNICAL SKILLS

Languages: JavaScript, TypeScript, Python, PHP, C

Frontend: React.js, HTML5, CSS3, Tailwind CSS, Bootstrap

Backend: Node.js, Express.js

Databases: MongoDB, MySQL

Tools: Git, GitHub, VS Code, Postman

Concepts: REST APIs, JWT Authentication, Responsive Design, Performance Optimization, Agile, SaaS Architecture

EDUCATION

NMAM Institute of Technology (NMAMIT)

B.E. Information Science Engineering (2022–2026) | CGPA: 8.64

HIGHLIGHTS

- Software Engineer at Zupaloop • Founder of TTH E-CART • Built TalknShop SaaS Platform • Production React & TypeScript Experience
